Note: © coordinator of the class will be responsible to conduct the class for the day.

Few among the coordinator's responsibilities are :

- To open and close the classroom.
- To manage stationery and refreshments for the kids before the class.
- To take care of instructors' availability for that day.
- To interact with previous coordinator about the course content and make the class content coherent with previous one.
- To hand the classroom key out to the coordinator of next class and interact about the course content you covered on that day.
- To assign the homework.
- To report any concerns about the class to NeSA Academic Committee.

With Kind Regards
