

# NeSA 12<sup>th</sup>

International Conference-2021

“Science & Technology:  
Way Towards Sustainability”

Guest  
Speaker

*“Hydropower in Nepal:*

*A Base for Sustainable*

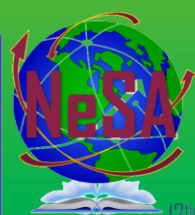

*Development”*

## Er. Ram Raj Sharma

Ram Raj Sharma has over 20 years' experience in Hydropower planning, overall design, construction supervision and team management. From the beginning of his Engineering career, he is working for Nepalese Hydropower. Mr. Sharma worked as a design manager, resident engineer, team leader and lead designer for many hydro schemes in different countries. Mr. Sharma has an extensive experience on structural design of Dam, Hydraulic design, and structural design of other civil components. He has good knowledge of BS standards, Eurocode and Reservoir Act and has designed many dams to comply with it. As a columnist he writes Hydropower related articles in national newspapers in Nepal.
