

NeSA 12th

International Conference-2021

“Science & Technology:
Way Towards Sustainability”

Special Guest
Speaker

Innovation for

Economic Development

Mahabir Pun

Mahabir Pun is a Nepalese teacher, social entrepreneur and an activist known for his immense impact on the development of the remote areas of Himalayas through the wireless technologies. After graduating from the University of Nebraska, Pun returned home to his village Nangi in the Myagdi district of Nepal with the goal of connecting Nangi to internet for the quality education and communication. In 2002, pun founded Nepal Wireless Networking Project that facilitates more than 175 remote villages to internet that not only supports the education but also health care, business and more. Currently, he is a chairperson of National Innovation Center Nepal, a nonprofit sharing organization dedicated to developing the culture of research, technology, and innovation in Nepal.
